SOUTH STOKE FLORA SURVEY REPORT 2022

Indicates at least one example of the species was found in the site across all visits

SUMMARY TABLE			Site						
Family	Common Name	Latin Name	Rabbit Bank	WH Quarry	Curlew	Church	Freedom	Rec	Far Field	River	Other
Ranunculaceae											
	Common meadow buttercup	*Ranunculus acris*							■	■	
	Bulbous buttercup	*Ranunculus bulbosus*			■						
	Marsh marigold	*Caltha palustris*									
	Traveller's Joy	*Clematis vitiba*			■						
Nymphaeaceae											
	Yellow waterlily	*Nuphar lutea*									
Papaveraceae											
	Poppy	*Papaver rhoeas*									
	Yellow fumitory	*Corydalis lutea*									■
Cruciferae											
	Cuckoo flower	*Cardamine pratensis*							■		
Resedacae											
	Wild mignonette	*Reseda lutea*					■				
Violacea											
	Dog violet	*Viola canina*									
Caryophyllacae											
	White Campion	*Silene pratensis*									
	Bladder campion	*Silene vulgaris*									
	Common mouse-ear	*Cerastium fontanum*			■		■				
Guttiferae											
	Perforate St John's Wort	*Hypericum perforatum*			■						
	Square stalked St Johns Wort	*Hypericum tetraptetum*							■	■	
Malvaceae											
	Musk mallow	*Malva moschata*					■				
Linacae											
Geraniaceae											
	Meadow cranesbill	*Geranium pratense*			■		■	■			
	Cut-leaved cranesbill	*Geranium dissectum*				■		■			
	Hedgerow cranesbill	*Geranium pyrenicum*									
Balsaminaceae											
	Touch-me-not -Balsam	*Impatiens noli -tangere*								■	
Leguminouse											
	Black medick	*Medicago lupulina*			■	■					
	Alfalfa, Lucerne	*Medicago sativa*					■				
	Red clover	*Trifolium pratense*			■			■		■	
	Alsike clover	*Trifolium hybridum*					■				
	Hop trefoil	*Trifolium campestre*			■						
	Kidney vetch	*Anthyllis vulneraria*			■						
	Birds foot trefoil	*Lotus corniculatus*					■			■	
	Narrow-leaved birds foot trefoil	*Lotus tenuis*					■				
	Sainfoin	*Onobrychis viciifolia*					■				
	Common vetch	*Vicia sativa*			■		■				
Rosacae											
	Meadowsweet	*Filipendula ulmaria*								■	
	Salad burnet	*Poterium sanguisorba*			■			■			
	Agrimony	*Agrimonia eupatoria*									
	Silverweed	*Potentilla anserina*			■					■	
	Creeping cinquefoil	*Potentilla reptans*			■						
	Blackberry	*Rubus sp*			■					■	
	Dog rose	*Rosa canina*				■					
	Wood avens	*Geum urbanum*				■					
Lythracae											
	Purple loosestrife	*Lythrum salicaria*								■	
Onagracae											
	Rose bay willowherb	*Epilobium angustifolium*			■						
	Great willow herb	*Epilobium hirsutum*							■	■	
Cucurbitacae											
	White bryony	*Bryonia dioica*									
Umbelliferae											
	Cow parsley	*Anthriscus sylvestris*			■						
	Hemlock	*Conium maculatum*							■		
	Hemlock water dropwort	*Oenanthe crocata*							■		
	Burnet saxifrage	*Pimpinella saxifraga*							■		
	Wild angelica	*Angelica sylvestris*							■	■	
	Wild Parsnip	*Pastinaca sativa*							■		
	Hogweed	*Heraclium sphondylium*									
	Wild carrot	*Daucus carota*									
Caprifoliacae											
	Honeysuckle	*Lonicera periclymenum*									
Rubiacae											
	Ladies bedstraw	*Galium verum*									
	Hedge bedstraw	*Galium mollugo*			■						
	Cleavers (goose grass)	*Galium aparine*			■		■				
Dipsacacae											
	Teasel	*Dipsacus fullonum*							■	■	
	Field scabious	*Knautia arvensis*			■			■	■		
	Devil's Bit Scabious	*Succisa pratensis*							■		
Compositae											
	Hemp agrimony	*Eupatorium cannabinum*								■	
	Golden rod	*Solidago vigaura*									
	Daisy	*Bellis perennis*						■	■		
	Common Fleabane	*Pulicaria dysentera*						■	■	■	
	Ox eye daisy	*Leucanthemum vulgare*			■		■		■		
	Scentless mayweed	*Matricaria perforata*					■				
	Mugwort	*Artemisia vulgaris*									
	Field chamomile	*Anthemis arvensis*									
	Common ragwort	*Senecio jacobaea*			■	■		■		■	
	Oxford ragwort	*Senecio squalidis*								■	
	Spear thistle	*Cirsium vulgare*								■	
	Dwarf thistle	*Cirsium acaule*			■						
	Creeping thistle	*Cirsium arvense*				■				■	
	Greater knapweed	*Centaurea scabiosa*									
	Common knapweed	*Centaurea nigra*			■		■	■			
	Rough hawk's beard	*Crepis biennis*									
	Smooth Hawk's beard	*Crepis capillaris*			■				■		
	Stinking Hawksbeard	*Crepis foetida*			■						
	Cat's ear	*Hypochoeris sp*									
	Lesser hawkbit	*Leontodon taraxacoides*			■						
	Autumn hawk bit	*Leontodon autumnalis*			■	■					
	Mouse-ear Hawkweed	*Hieracium pilosella*			■						
	Dandelion	*Taraxacum officinale*						■			
	Prickly sow thistle	*Sonchus asper*				■					
Campanulacae											
Primulacae											
	Primrose	*Primula vulgaris*									
	Cowslip	*Primula veris*			■			■	■		
	Scarlet pimpernel	*Anagallis arvensis*				■			■		
	Yellow loosestrife	*Lysimachia vulgaris*									■
Gentianacae											
	Common centaury	*Centaurium erythraea*			■						
	Yellow wort	*Blackstonia perfoliata*			■						
Boraginaceae											
	Comfrey	*Symphytum officinale*							■	■	
	Green alkanet	*Pentaglottis sempervirens*				■					
	Forget-me-not	*Myosotis arvensis*						■	■		
	Early forget-me-not	*Myosotis ramosissimo*									
Convolvulacae											
	Field bindweed	*Convolvulus arvensis*									
	Large bindweed	*Calystegia sylvatica*								■	
Solanacae											
	Bittersweet/Woody nightshade	*Solanum dulcamara*			■					■	
Scrophulariaceae											
	Dark mullein	*Verbascum nigrum*				■					
	Ivy-leaved toadflax	*Cymbalaria muralis*									■
	Foxglove	*Digitalis pupurea*									
	Common figwort	*Scrophularia nodosa*								■	
	Common field-speedwell	*Veronca persica*									
	Red Bartsia	*Odontites vernus*							■		
	Yellow rattle	*Rhyananthus minor*			■						
Orobanchaceae											
	Common Broomrape	*Orobanche minor*									
	Knapweed broomrape	*Orobanche elatior*									
Labiatae											
	Water mint	*Mentha aquatica*						■	■	■	
	Wild basil	*Clinopodium vulgare*			■				■		
	Ground ivy	*Glechoma hederacea*				■			■		
	Common skullcap	*Scutellaria galericulata*							■	■	
	Common gypsy weed	*Lycopus europeus*							■		
	Marjoram	*Origanum vulgare*			■			■			
	Self heal	*Prunella vulgaris*			■	■		■	■		
	Marsh woundwort	*Stachys palustris*								■	
	Black horehound	*Ballota nigra*				■					
	White dead nettle	*Lamium album*									
Plantaginaceae											
	Ribwort plantain	*Plantago lanceolata*			■			■	■	■	
Polygonaceae											
	Giant water dock	*Rumex hydrolapathum*								■	
	Common Sorrel	*Rumex acetosa 77 Poss crispus*									
	Broad-leaved dock	*Rumex obtusifolius*									
Euphorbiacae											
	Sun spurge	***Euphorbia helioscopia***					■				
Urticaceae											
	Stinging nettle	*Urtica dioica*									
Orchidaceae											
	Pyramidal orchid	*Anacamptis pyramidalis*							■		
	Bee orchid	*Ophrys apifera*									
Liliaceae											
	Bluebell	*Hyacinthoides non-scripta*									
	Spanish bluebell	*Hyacinthoides hispanica*					■				
Typhaceae											
	Bullrush	*Typha latifolia*									
Araceae											
	Cuckoo-Pint	*Arum maculatum*									
Equisetaceae											
	Horsetail	*Equisetum arvense*							■		
Grasses											
	Common reed	*Phragmites australis*							■		
	Fragile oat	*Gaudinia fragilis*				■					
Hedges & Trees											
Tiliaceae											
	Small leaved lime	*Tilia cordata*									
						■					
Aquifoliaceae											
	Holly	*Ilex aquifolium*									
Celastraceae											
	Spindle	*Euonymus europaeus*									
Rhamnaceae											
	Buckthorn	*Rhamnus cathartcus*									
Aceracea											
	Sycamore	*Acer pseudoplatanus*									
	Field maple	*Acer campestre*									
	Maple	*Acer poss platanoides?*				■					
Rosaceae											
	Blackthorn	*Prunus spinosa*			■						
	Wild cherry	*Prunus avium*			■						
	Hawthorn	*Crataegus monogyna*			■						
	Midland hawthorn	*Crataegus laevigata*									
	Apple	*Malus domestica*									
Araliaceae											
	Ivy	*Hedera helix*									
Cornaceae											
	Dogwood	*Cornus sanguinea*			■						
Caprifoliaceae											
	Elder	*Sambucus nigra*									
	Wayfaring tree	*Viburnum lantana*			■						
Oleaceae											
	Ash	*Fraxinus excelsior*									
Ulmaceae											
	Elm	*Ulmus procera or minor?*									
Betulaceae											
	Silver birch	*Betula pendula*			■						
	Alder	*Alnus glutinosa*								■	
Corylaceae											
	Hazel	*Corylus avellana*									
	Hornbeam	*Carpinus betulus*				■					
Fagaceae											
	Pedunculate oak	*Quercus robur*									
	Sessile oak	*Quercus petraea*									
	Beech	*Fagus sylvatica*									
Salicaceae											
	Crack willow	*Salix fragilis*									
	Goat willow	*Salix caprea*									
	Poplar	*sp*									
Taxaceae											
	Yew	*Taxus baccata*				■
